BRIEF ABSTRACT OF LETTER

~~Submits proposals for the revision of Munsif establishments of the Mysore city received with the President's letter No 272 of 17-5-16~~

NOTES AND ORDERS

The proposals involve an annual recurring expenditure of Rs 22,024 ~~and~~ and a provision of Rs 12,000 made in the current years budget for this purpose has been struck out for want of funds

~~The income and expenditure of the Akand Council nearly balance each other, being Rs 273,142 and 2,74,409 respectively.~~ The President in para 5 ~~of the letter~~ admits that the resources of the Amarkot do not amount of the large expenditure but adds that the revision can not be deferred any longer

3 To make up the money required, the President states that proposals for the assignment of certain items of revenue within Akand limits will be submitted to Govt and he requests that sanction may be accorded to the revision proposals in toto so that they may be effected as funds become available.

4. In this connection it is submitted that the President's request if sanctioned, would only tend to cause confusion by his adhering to the old scale in certain cases and the revised scale in other cases and the work of the Local Audit staff

10 The proposals to have been revised as called for as by Govt in G.O. dated 17th March 1916 this order has not been put up –

11 As the Municipality is unable, in the present State of finances to meet additional recurring Expt on Establishment to the extent of 22,000 Rs pa, ~~as the proposals cannot be agreed to from Municipal revenues~~ the proposals cannot be agreed to financially.

12 From the Proportion Statement it would appear as if the Head office Establishment was raised on 1st April 15. ~~about this revision was sanctioned~~ Papers about this revision have not been put up

13 as the City Improvement Trust has got its own Establishment to do any large quantity of work which would otherwise fall on the Municipality the Expenditure of the Trust & its Establishment is to be taken into account in considering what establishment the Municipality requires

The Govt of India have no objection to the levy of the tax but consider that the Council should be asked to submit a statement showing the number of carts likely to be affected by the tax and the probable amount of revenue which will be derived therefrom.

SIR,

Adverting to para 2 of Government Order No.6964-226-15-2, dated the 17th March 1916 calling for the early submission of comprehensive proposals for the revision of the Municipal Establishment, I have the honour to submit herewith a proposition statement in duplicate for the r of the following Establishments:—

1. Head Office
2. Octroi
3. Assessed Taxes.
4. Public Works
5. Markets and Slaughter Houses.
6. Health Office.
7. Vaccination
8. Registration of Births and Deaths,
9. Health Camps
10. Disinfection
11. Conservancy and Sanitation.
12. Cattle Pounds.

2 The question of the revision of establishment with a view to attaining proper men and thus to secure efficiency in Municipal Administration was engaging the attention of the Municipal Council from a very long time, and last year it was referred to a Sub-Committee consisting of the marginally noted members for report.

Mr. G. Narayana Rao, B.A., B.L., Vice President
Dr. A. K. Pani, D.P.H &c., Health Officer.
Rao Bahadur Mr. M.C. Rangaiangar, B.A.,
Mr H. Seetharamiah
Mr Amble Anniah Pandit
Mr N Srikantiah with myself as Convener

3 The members of the Sub-Committee went into the

question deeply and after investigating the requirements of each Department submitted their proposals for the revision of the Establishment at an additional annual recurring cost of nearly Rs. 23,000/- . The Finance and the Managing Committee's having also approved of the proposals with certain modifications, which reduced the cost to Rs. 22,024 -$\frac{1}{5}$- , the same were placed before the Municipal Council in their meeting held on the 19th February 1916, wherein it was resolved that the proposals be passed and submitted to Government for sanction A copy of the Council's resolution is herewith enclosed for ready reference

4. The Financial effect of the revision in each Department is noted in the accompanying memo and the nett - increase per annum comes to Rs. 22,024 -$\frac{1}{5}$- including the Sarmarga Establishment which is proposed to be retained - temporarily at an annual cost of Rs. 1,200/-

5 The present resources of the Municipality do not however permit such a large expenditure to be incurred every year, and at the same time, the proposals for the revision of the establishment cannot be deferred in the interest of efficiency and good administration of the Municipality With a view to solve the difficulty, the Municipal Council have resolved to reques Government to assign to the Municipality certain items of revenue within Municipal limits and a separate reference will be made therefor Until this question is finally settled a sum of Rs 12,000/- has been provided in the Budget for 1916-17 to give effect to the revision at once excluding a portion in the conservancy - Establishment

6. I now request you to be so good as to move Government to accord their kind sanction to the proposals in full so that the Municipal Council may give effect to the extent of - Rs. 12,000/- provided in the Budget for 1916-17 The revision of a portion of the Conservancy Establishment will however be withheld until funds are found available for the same

REVISION OF MUNICIPAL ESTABLISHMENT.

A Comprehensive proposal for the revision of Municipal Establishment including the Health Department has been prepared by a Special Sub-Committee appointed for the purpose and approved by the Municipal Council.

Since the last revision of a few Departments sanctioned by Government, the Municipal Account Mannual has come into force, the General revision of assessment has been effected, the Public Conveyance Regulation has been brought into force the Rules of Office procedure as issued by the Efficiency Department have been adopted and the various Committees of Municipal and other activities have been formed.

All these necessitate increase of work consistently with the increase of revenue to the Municipality and an adequate and reliable staff of officials is necessary to cope efficiently with the increased work besides there is no gainsaying the fact tha prompt and efficient discharge of work by all the officials will obviate the necessity for large remissions of revenue which are being made year after year and also prevent large leakages of income, which can be prevented by having an honest and efficient staff of officials. Apart from this, the cost of living is increasing day by day

day owing to rise in prices of food stuffs etc., and it is but fair that the minor officials and menial servants of the Municipality should be given a pay equal to if not more than what is prevalent in other Departments of Government.

The proposals now submitted involve a recurring additional expenditure of Rs.22,034 1/3 per annum and it includes also the cost of the Temporary Establishment sanctioned by Government from year to year.

The Government have recently been pleased to sanction the revision of the scale of the Establishment of the Bangalore Municipality at a considerable increase in cost. The reasons given for the revision of the scale of pay of the Establishment in Bangalore City, also hold good in the case of the Mysore City. It may be mentioned that in most cases the scale of pay proposed to the officials of this Municipality is less than that sanctioned in the Bangalore City Municipality for officials doing similar work.

The financial effect of the revision is as follows:--

HEAD OFFICE Nett increase Rs.132/- This includes Rs.18 2/3 being the pay of the Shroff transferred from the Department of Assessed Taxes, and also Rs.30/- being the pay of the temporary Typist and License Clerk whose appointment have been proposed to be made permanent. Owing to increase of work in the correspondence branch an Assistant English

Assessor on Rs.30-2-40 with a Cycle allowance of Rs.10/- As he can also check the work of the Monalla Accountants in the offices, the appointment of the Head Accountant is proposed to be abolished. The number of Monalla Accountant's has been proposed to be increased from 4 to 5 and their pay is made progressive. The pay of the Mutsaddis is similarly fixed with a view to get a better class of men for this important and responsible work, and an additional Mutsaddi is also proposed. At present the pay of the Two Sheikdars is inadequate. It is proposed to increase this also to Rs.20-1-25 and to change their designation to Inspectors. The post of the Vehicle Tax Collector is found unnecessary and is proposed to be abolished. A Hackney Carriage Inspector on Rs.15-1-20 with a conveyance allowance of Rs.5/- is proposed to be retained permanently in place of the Temporary hand now sanctioned up to the end of June 1916 on a pay of Rs.25 plus 5. The pay of the 10 Peons who are to assist the Mutsuddis and Sheikdars in collection work has been proposed to be raised to Rs.7/- each.

CART STAND. The present appointment of a peon on Rs.6/- has been proposed to be abolished, as the place is found unnecessary.

THE PUBLIC WORKS Net increase Rs.78½ The increase is mainly due to the appointment of an additional Sub-Overseer with a Laskar, and to increase of pay proposed to the Draughtsman and to the Existing Sub-Overseers as in the Grade Public Works Department.

MARKETS Nett increase Rs.7/- The

Assessor on Rs.30-2-40 with a Cycle allowance of Rs.10/- As he can also check the work of the Monalla Accountants in the office, the appointment of the Head Accountant is proposed to be abolished. The number of Monalla Accountant S has been proposed to be increased from 4 to 5 and their pay is made progressive. The pay of the Mutsaddis is similarly fixed with a view to get a better class of men for this important and responsible work, and an additional Mutsaddi is also proposed. At present the pay of the two Sheikdars is inadequate. It is proposed to increase this also to Rs.20-1-25 and to change their designation to Inspectors. The post of the Vehicle Tax Collector is found unnecessary and is proposed to be abolished. A Hackney Carriage Inspector on Rs.15-1-20 with a conveyance allowance of Rs.5/- is proposed to be retained permanently in place of the Temporary hand now sanctioned up to the end of June 1916 on a pay of Rs.25 plus 5. The pay of the 10 Peons who are to assist the Mutsuddis and Sheikdars in collection work has been proposed to be raised to Rs.7/- each.

CART STAND. The present appointment of a peon on Rs.6/- has been proposed to be abolished, as the place is found unnecessary.

THE PUBLIC WORKS. Net increase Rs.73½ The increase is mainly due to the appointment of an additional Sub-Overseer with a Laskar, and to increase of pay proposed to the Draughtsman and to the existing Sub-Overseers as in the State Public Works Department.

MARKETS Nett increase Rs.7/-

day owing to rise in prices of food stuffs etc., and it is but fair that the minor officials and menial servants of the Municipality should be given a pay equal to if not more than what is prevalent in other Departments of Government.

The proposals now submitted involve a recurring additional expenditure of Rs.22,034 ½ per annum and it includes also the cost of the Temporary Establishment sanctioned by Government from year to year.

The Government have recently been pleased to sanction the revision of the scale of the Establishment of the Bangalore Municipality at a considerable increase in costs. The reasons given for the revision of the scale of pay of the Establishment in Bangalore City, also hold good in the case of the Mysore City. It may be mentioned that in most cases the scale of pay proposed to the officials of this Municipality is less than that sanctioned in the Bangalore City Municipality for officials doing similar work.

The financial effect of the revision is as follows:--

HEAD OFFICE Nett increase Rs.138/- This includes Rs.18½ being the pay of the Shroff transferred from the Department of Assessed Taxes, and also Rs.30/- being the pay of the temporary Typist and License Clerk whose appointment have been proposed to be made permanent. Owing to increase of work in the correspondence branch an Assistant English

The Dovaraj Market is growing in importance and the income there-from is improving year after year. With a view to have a right sort of man to attend to the Collection of rents and also to supervise the Market efficiently, it is proposed to raise the pay of the Market Daroga from Rs.10-1-15 to 15-1-30. The Mutsaddi on Rs.7/- now attached to the Market is proposed to be removed and an additional peon on Rs.7/- is proposed. The pay of the existing peons has been proposed to be raised from Rs.6/- to Rs.7/-

SLAUGHTER HOUSES. Nett increase under this head is Rs.7¼ per mensem. The Pay of the Veterinary Inspector is proposed to be raised to Rs.35-3-50 plus Rs10/- per mensem. The appointment of the present Daroga is found unnecessary and hence a reduction of Rs.10/- on this account is proposed. At present there are two Watchmen on Rs.7/- each attached to the two slaughter houses. It is proposed to give them an allowance of Rs3/- each and make them do the work of sweepers also in those places.

POUNDS . Nett increase under this head is Rs.10/- per mensem. There are two at present Two Daroga on Rs.8/- and three on Rs.7/- As literate persons are required for the place , their pay is proposed to be raised to Rs.9/- and Rs.8/- The pay of the peons has also been proposed to be raised from Rs.5/- to Rs.6/- to be in keeping with the pay of the peons in other Departments.

HEALTH OFFICE Nett increase Rs.30/- per mensem, A Typist on Rs.15-1-30 is proposed

proposed to be appointed for typing work in the office. Owing to the separation of the Health Department, the work in the office has considerably increased. Hence a small increase has been proposed to each of the existing Clerks.

VACCINATION STAFF. Net increase Rs.12/- per mensem. Vaccination in the city is made compulsory and the number of persons vaccinated every day is increasing. As the present staff is unable to cope with the work it is found necessary to have an extra hand on Rs.12/- Hence the proposition.

REGISTRATION OF BIRTHS AND DEATHS. Net decrease Rs.58/- per mensem. Two nurses on Rs.12/- each are found unnecessary and are therefore proposed to be abolished together with the 5 peons now working with the Registrars of Births and Deaths. The number of Sub-Registrars on Rs.12/- is reduced to seven, and those on Rs.10/- is raised to seven, the total number remaining the same.

CHATTAFALLI HEALTH CAMP Nett decrease Rs.12/- per mensem. The present Establishment of One thoti on Rs.7/- and one Sweeper on Rs.5/- is found unnecessary, and is therefore proposed to be abolished.

DISINFECTION STAFF. Net decrease Rs.8/- per mensem. The post of the compounder on Rs.8/- is found unnecessary and is therefore proposed to be abolished

12

CONSERVANCY Net increase Rs.1,345½ per mensem. The present scale of pay is quite inadequate in these days of high prices. The pay of the sweepers ranges from Rs.2/- to Rs.3/- As they cannot be expected to maintain themselves on this small pay without attending to other works or income, it is proposed to abolish the grades on Rs.2 to 3/- and to increase the number of appointments on Rs.5,6,& 7/-. The Rubbish carts are being paid Rs.15/- per mensem and the owners cannot therefore maintain good bullocks. Consequently the work turned out by them is neither sufficient nor satisfactory. With a view to put an end to these irregularities and to ensure efficient work, it is proposed to revise the scale of the existing Establishment at a nett increase of Rs.134½, which provides increase of pay not only to sweepers and carts but also to the supervising Establishment.

Revision of the Conservancy Establishment of the Mysore City Municipality

No 7993 4C—Ml 13 16-26 dated 20th June 1917

PROCEEDINGS OF THE GOVEINMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

GENERAL AND REVENUE DEPARTMENTS

Read—

Letter No 272 of 19th May 1916 from the President Mysore City Municipal Council forwarding a proposition statement for the revision of Municipal Establishments involving an additional expenditure of Rs 22 024½ a year

2 Letter No 223 of 21st August 1916 from the same Officer urging the need for the revision of the conservancy establishment and submitting certain proposals for improving the finances of the Municipal Council in order to give effect to the revision scheme

Order No 7993 4C—Ml 13-16-26, dated 20th June 1917

Sanction is accorded to the revision of the conservancy establishment at an extra cost of Rs 1,345½ a month as detailed in the proposition statement, and to bringing it into effect from 1st July 1917, subject to any changes that may be considered necessary A statement showing the scale of establishment finally adopted may be submitted for record in the Secretariat and the Comptroller's Office

2 The proposals suggested for meeting the additional expenditure are the following —

1 Increasing the toll rates
2 Relieving the Municipal Council of the contribution to the Vanivilas Hospital
3 Reduction of the Municipal grant for education from Rs 15,000 to Rs 10 000 a year
4 Transfer of the Municipal Girls' Schools to Government
5 Transfer to Government of certain important roads
6 Special grant of a part of excise shop rent in the Mysore City

3 After careful consideration of the matter, Government are not inclined to agree to the proposals Nos (3) to (5) As regards proposal No 6, it is observed that the question is one of principle applicable to all the Municipalities and should be considered separately Proposal No (1) regarding the increase of toll rates has been already disposed of and the attention of the President is invited to this Office letter No 6973—Ml 158-14 10 of 2nd May 1917

4 With regard to the remaining proposal No (2), Government direct that the Mysore City Municipal Council be relieved of the contribution to the Vanivilas Hospital amounting to about Rs 4,711 a year The Municipal Council should take steps to levy a general sanitary cess at 2 per cent on the annual rental value of buildings and to enhance the present rates of animal and vehicle taxes so as to bring them to the level of those obtaining in the Bangalore City in order to make up the deficiency in the amount needed for the revision of the establishment This measure is expected to yield an income of Rs 15,000, and with the relief of the contribution towards the Vanivilas Hospital, a sum of about Rs 20,000 will be available for expenditure on revision of establishment now sanctioned

5 The revision of the remaining establishment of the Municipality may be taken up for consideration when the finances of the Municipality permit it
